Dear Ms. Carter -

Please find that the Keystone Victory Fund (C00470021) has amended our 2012 April Quarterly Report (01/01/2012 ? 3/31/2012) in order to respond to your Request for Additional Information dated June 19, 2012.

In that report we incorrectly reported a transaction from ACTBLUE as a contribution for \$18,500. The report already reflected that ACTBLUE was a conduit for contributions in that same amount. This has been corrected and our total contributions have been reduced by \$18,500 to reflect this adjustment.

Additionally a previously undiscovered error in our reporting software caused a number of partnership contributions and their corresponding partners to appear as MEMO entries on the report without linking them to their parent records and therefor not including their contribution amounts in our total receipts for the quarterly report. These have been corrected, properly linked and memo-ed, and are now reflected in the total raised for this reporting period. The uncounted partnership contributions totaled \$32,500 and did not appear on the original filings.

We have amended our April Quarterly Report to reflect these two issues raised in your letter. The two corrections ? the elimination of the incorrectly reported ACTBLUE check for \$18,500 and the correct reflection of partnership contributions in the amount of \$32,500 ? therefore increased our Line 19 Total receipts by \$14,000 for this reporting period.

We have reviewed and revised internal policies and procedures to prevent future mistakes of this nature. Should you have any additional questions please do not hesitate to contact us.

Thank You

Aubrey Montgomery
Treasurer
